STORIES BEGIN AT 3:00 PM—Q & A SESSION BEGINS AT 5:00 PM

A variety of speakers will share their stories of addiction and recovery in Northfield. They will talk about what led them to use drugs, what made it possible for them to keep using, and what led them to get sober. Our speakers include a wife and mother, as well as several young adults ranging in age from 21–27. They are people who live in and/or grew up in Northfield. All have struggled with addiction while being part of our community. They will address what, specifically, about the community of Northfield makes it a place for both addiction and recovery.
